WMA BEST PERFORMANCES - 5 km

BASED ON WMA AGE-GRADED SCORING - (WORLD MASTERS ATHLETICS)

NOTE THE BEST PERFORMANCES BY MALE AND FEMALE MASTERS

This list compares the performances of each runner based on age, sex and time. The performance percentage corresponds closely to world record marks. The age-graded time is the ACTUAL time converted to the runner's approximate OPEN time. WAVA scoring is the result of a exhaustive study by a world-wide committee of

runners and experts on aging and slowing. This system is used for MASTERS PRIZE MONEY, CLYDESDALES and TEAM SCORING where a large range of ages and both sexes participate. It is the most equitable system ever. In short, this system makes everyone 25 years old and then compares times. Contact Glen's Racing Service for complete details on this unique scoring system.

WMA				ACTUAL		AGE	PERF.
